SODIC Women's day hosted and organized by Club S Allegria

BOOK CLUB Club S Allegria hosted an interesting discussion of the book 'Elhalawany' attended by the author herself, Reem Bassiouni

The discussion was joined by two Lebanese book clubs who came to Egypt to join the event. The attendees reflected on the interplay between the actual historic events that happened in Cairo and the region at the times of Mamaleek, and the human dimension of the characters in the book. The discussion was very insightful and heartwarming, mixed with an endearing sense of humor."
